

# Web Designer podcasts are go!

## The UK's premier publication for the discerning online author announces regular download show on iTunes

*Web Designer* magazine can now be heard as well as seen thanks to the launch of its monthly podcast, currently available on iTunes and at [www.webdesignermag.co.uk](http://www.webdesignermag.co.uk).

The new show is hosted by Editor in Chief Dave Harfield, Editor Mark Billen and Features Editor Steve Jenkins, and will be released on a monthly basis from November 2008. In every episode, listeners will be treated to the team's opinions on cutting edge web design and interviews with leading names from the industry.

Editor of *Web Designer*, Mark Billen said, "We really enjoyed making the first podcast and we're pleased to offer another resource for online design enthusiasts and professionals. It's also an exciting new platform on which advertisers can publicise their products and services to a targeted audience."

Editor in Chief Dave Harfield commented, "We're really pleased with the first show, and looking forward to developing the *Web Designer* podcast in the future. We've already had a great response from the web design industry, and I'm convinced the *Web Designer* podcast will become a popular source of news and opinion with web design professionals worldwide."

The *Web Designer* podcast is the latest in a full range of internet broadcasts from Imagine Publishing, including *iCreate*, *SciFiNow*, *High Definition Review*, *X360*, *Play* and *Total PC Gaming*. All Imagine Publishing podcasts can be downloaded from [www.imaginepodcasts.com](http://www.imaginepodcasts.com). Listen and subscribe to the *Web Designer* podcast on either iTunes or via the *Web Designer* website at [www.webdesignermag.co.uk](http://www.webdesignermag.co.uk).

*Web Designer* magazine is aimed at intermediate and professional web users. Its predominantly tutorial-based format delivers projects in Dreamweaver, Flash, Silverlight, ColdFusion, AJAX and Photoshop. Supplemented by the latest industry news and feature topics, *Web Designer* reflects all that is inspirational and exciting about working with new-media content.

Imagine Publishing is one of the UK's fastest-growing consumer specialist publishers. Formed in May 2005, Imagine now publishes 20 magazines and 23 websites in the videogames, computing, entertainment and photography markets. An Imagine magazine is purchased every ten seconds.
