

Photoshop Creative celebrates its 50th issue in style

Imagine flagship creative magazine reaches issue milestone

Imagine Publishing's successful creative title, *Photoshop Creative*, has reached its landmark 50th issue. The magazine, which was launched back in September 2005, has seen tremendous growth and developed a fiercely loyal readership over the past four years.

Entirely dedicated to Photoshop tutorials and advice, *Photoshop Creative* provides Photoshop learners with all the training and resources they need to improve their skills. Each issue, *Photoshop Creative* provides insightful features, step-by-step tutorials and essential tool guides to help readers improve their Photoshop skills.

Since its launch, the magazine has continued to grow and grow, following all the latest Photoshop releases and keeping one step ahead of technology. Back in May 2008, the team introduced video tutorials to the free coverdisc and has since launched a range of monthly podcasts, too. The magazine's website – www.photoshopcreative.co.uk – now has over 12,500 user images uploaded.

"*Photoshop Creative* is such an exciting title to work on," said Editor, Rosie Tanner, "It's been fantastic developing the *Photoshop Creative* brand and the support of the readers is phenomenal. I can't wait to see where the next 50 issues take us."

To celebrate this major milestone in *Photoshop Creative*'s history, the 50th issue is set to be the most exciting magazine yet. Readers will spot the issue gleaming from the shelves thanks to an amazing glittery cover, specially designed for the anniversary. And as a thank you to the *Photoshop Creative* supporters, there is a mind-blowing competition where readers have the chance to win the ultimate design kit worth £2,185!

Jo Cole, *Photoshop Creative*'s Editor-in-Chief said, "*Photoshop Creative* was launched with a clear aim in mind – to create a premium title to inspire readers and teach them Photoshop techniques. The result has been a complete success. We are a globally recognised brand with a fantastic loyal readership."

Imagine Publishing is one of the UK's fastest-growing consumer specialist publishers. Formed in May 2005, Imagine now publishes 20 magazines and 30 websites in the videogames, computing, entertainment and photography markets. An Imagine magazine is purchased every ten seconds.
