

# Web Designer 'Hot 100' is back!

**Industry-leading web design magazine asks the community to predict what will be rocking the community in its annual countdown of what to watch out for in 2009**

*Web Designer* magazine has started the year boldly by delivering an exciting and authoritative countdown of what to watch in the world of web design for 2009. The second *Web Designer* 'Hot 100' reveals the 100 new trends that will define web design in the year ahead, so that enthusiasts and professionals can get a sneak peek of the greatest sites, design talent, industry names and breaking technology in 09.

The Hot 100 (issue 153 on sale now) also features the main movers and shakers from the web design industry offering up their own predictions on the year ahead, ranging from Adobe Flash Catalyst, Microsoft Volta and mobile design to Twitter backgrounds and a whole lot more. There has never been a more important time to stay ahead of the web game and the Hot 100 is essential preparation for staying right at the creative cutting-edge.

"Today's web waits for nobody and given the strides the industry made in 2008, we can all expect this year to be hugely exciting", said Web Designer Editor, Mark Billen. "I'm also very pleased that so many well-known web design heavyweights were keen to get involved in this year's feature. Names like Stephanie Sullivan w3conversions, Andy Budd of Clearleft and Molly Parsley of AKQA are testament to the quality of *Web Designer* and its standing in the industry."

*Web Designer magazine* ([www.webdesignermag.co.uk](http://www.webdesignermag.co.uk)) is the only monthly newsstand publication devoted to providing cutting-edge expert tutorials in Flash, Dreamweaver Photoshop and WordPress. With regular features on leading digital agencies, breaking trade news, eCommerce articles and a free monthly CD packed with resources, it aims to inspire those inside and outside the web design profession.

Imagine Publishing is one of the UK's fastest-growing consumer specialist publishers. Formed in May 2005, Imagine now publishes 20 magazines and 25 websites in the videogames, computing, entertainment and photography markets. An Imagine magazine is purchased every ten seconds.
