

# SciFiNow gives away free Star Trek DVD with April issue

**With its latest issue on sale 16 April, SciFiNow looks set to consolidate its position as the world's leading sci-fi magazine with a fantastic *Star Trek* DVD promotion.**

After a hugely successful *Watchmen* promotion in February, the UK's most exciting sci-fi magazine, *SciFiNow*, is giving away a completely free *Star Trek* DVD with every copy of its latest issue, tying in with the upcoming release of the highly-anticipated movie. Containing loads of cool footage, the *Star Trek* DVD is sure to win *SciFiNow* many new readers and reward its rapidly growing fanbase.

In addition to the DVD, *SciFiNow* will also be giving every reader the chance to claim a free Limited Edition *Star Trek* USB flash drive. A must-have gift for all fans of the franchise, the *Star Trek* USB flash drive not only looks stunning, it comes with loads of superb additional content, including an interactive quiz. Not only that, readers will also be able to claim a free *Star Trek* poster, making this an unforgettable promotion.

Aaron Asadi, Editor In Chief of *SciFiNow*, declared “We’re obviously ecstatic to be able to celebrate the biggest sci-fi release of 2009 in such a way. Championing the best in the genre and rewarding our readers is what *SciFiNow* is all about, so this *Star Trek* promotion sits perfectly alongside the magazine and website.”

An origin tale based on Gene Roddenberry’s seminal sci-fi franchise, *Star Trek* is released from Paramount Pictures on 8 May across the UK. Directed by *Lost*’s JJ Abrams, the high octane blockbuster features groundbreaking special effects with box office expectations set to stun.

Imagine Publishing is one of the UK’s fastest-growing consumer specialist publishers. Formed in May 2005, Imagine now publishes 20 magazines and 27 websites in the videogames, computing, entertainment and photography markets. An Imagine magazine is purchased every ten seconds.
